

## **Deep Run Valley Sports Association Parking Policy**

The Deep Run Valley Sports Association (**DRVSA**), it's Executive and General Board of Directors would like to issue the following policy regarding parking at our complex.

All parking at **DRVSA** is classified as "**first-come first serve**". No paying member of the organization, executive or general board member, coach, assigned volunteer or member of a visiting team is entitled to a permanent parking space within the facility.

**DRVSA** will maintain marked handicap parking spots and a "drop off" area near the clubhouse for passenger discharge and immediate departure. Under no circumstances will unauthorized vehicles be permitted to park in either the handicapped or "drop off" areas. Vehicles parked in either area without proper authorization or identification will be immediately towed at the owner's expense.

There are certain "**Special Event**" days for each sport. These are **Opening Day, Picture Day, Closing Ceremonies & Tournaments**. During these events, parking is at a premium and **DRVSA** must use volunteers to maintain the proper safety and traffic flow necessary to accommodate the increased volume of vehicles on site. During such events, we are asking that you please follow the instructions of the volunteers who will direct you where to park. On these days, **DRVSA** will also maintain an overflow parking lot located immediately past the main gate of the complex on Callowhill Road. The "drop-off" area will be closed and there will be no general parking available past the positioned road barriers leading to the clubhouse.

Please review these additional items that are part of the parking policy at **DRVSA**:

- ?? There is absolutely no priority or reserved parking for family members (travel or intramural) at the specific field your child/relative is playing. If there are parking volunteers working on a given day, you must park where you are directed.
- ?? If there are family members with physical conditions which require assistance, we will do everything possible to accommodate that vehicle
- ?? During game days, there will be no parking facing soccer field #3
- ?? Anyone who signed up as a volunteer for "**Special Events**" during registration for a sport, may be called and asked to assist with parking
- ?? Please try to arrive as early as possible for your scheduled game.
- ?? Verbal or physical abuse towards a parking volunteer will not be tolerated. If such behavior is reported, said individual(s) will be immediately asked to leave the complex. The incident will be reported to and reviewed by the **DRVSA Executive Board**. If after a detailed review of the incident the **DRVSA Executive Board** feels it is necessary, all rights and privileges associated with membership at **DRVSA** may be revoked

Please remember that these policies are in place to ensure the **safest possible environment for all the children** who participate in the many sports at our complex. And as we continue to grow, we will need everyone's cooperation.

**Thank You,**  
**Deep Run Valley Sports Association**
