2006 Tournament Summaries:

The highlights of the tournament included the 3 strong wins in the Championship round against Montgomery, Boyertown and Harleysville by the 12-2, 12-2 and 12 -3 scores respectively. What makes these score impressive is the fact that we had lost to both Boyertown & Harleysville earlier in the season. The 12 year olds had won their 1st tournament in style by winning 6 straight games by a combined score 61-20.

2005 Tournament Summaries:

Deep Run 10's fall short in Championship game at Field of Dreams Tourney

After digging a 7-run deficit by the second inning, the DRVSA Thunderhawks roared back with a 2-out, 6 run rally in the bottom half of the sixth inning only to fall short by one run of upending the Upper Perk Indians in the championship game of the DRVSA Field of Dreams 10 year old tournament 10-9. Initially a lopsided game, Deep Run strung together some timely hitting along with some Upper Perk miscues to bring the game to an exciting climax. Mickey Michetti and AJ Molitierre were steadfast on the mound with battery-mate Matt Brown behind the plate. CJ McElwee, Josh Apple and Ben "Pudge" Schwietzer were key in getting the Thunderhawk offense going. Deep Run knocked off Towamencin 7-2 in the semi final game earlier in the day. Ben Lippincott and Stitch Stritzl were steadfast on the mound for Deep Run while AJ Molitierre and Josh Apple kept the Deep Run offensive engine running. In pool play, Deep Run lost to Pennridge 8-4 in a good game on Friday night. Pennridge executed a terrific game of baseball to shut down the aggressive Deep Run offense. On Saturday Deep Run got an all around game out of Jermei Xander and Pudge Schwietzer to lead the team to a win over Hatfield 10-5 and a good offensive game from the 1-2 hitters, Ben Lippincott and Mickey Michetti to get things going over Quakertown in a 13-4 victory in the second game. The Deep Run Thunderhawks got great support from each of its players including Tyler Shagen and Joe Hibbert who contributed with some excellent defensive and strong at-bats.
