

Deep Run Valley Sports Association

Baseball

A word from the commissioner

2014 was another great baseball year. I would like to personally thank everyone that has helped, and those that continue to help, make our program a success year in and year out. Not everyone can commit the same amount of time but it is all of you that contribute a little by assisting with fields, coaching, or just helping when you can that make the difference.

A special "Thank you" to a few of those that helped make 2014 a huge success.....

Jack Flynn, Rich Neher, Nick Rosica, Al Perlini, Joe Gunn, Shawn Harty, Colleen Knapp, Greg Mastrogiovanni, Dan Parry, and Dan Shollenberger.

Moving forward....Little League has made some significant changes that will impact the structure of our intramural divisions as

well as our travel program. We had previously communicated that this will go into effect for the 2015 season but due to some new information regarding the rule changes the baseball board will be meeting just after the first of the year to determine how to implement these new changes. Be on the lookout for new structure and policies which will be posted to website and also communicated out via email.

Baseball is also bringing in some new volunteers to the baseball board. Please welcome the following individuals.

Greg Mastrogiovanni – Baseball Treasurer

Kristen Fisher – Director of Communications & Safety Awareness

Dan Shollenberger – Spring Baseball Director

Al Perlini – Fall Baseball Director (Al stepped up and filled that position in 2014)

Price Jones – Equipment Manager.

Deep Run Community night

at the

Join other DR families for a night at the Phillies (7:05pm Saturday, May 9th) as we parade the field prior to the game and watch our Phillies host the NY Mets. Additional information will be available shortly. Mark your calendars now for a great pre-Mother's Day gift!

I am looking forward to another successful and fun season in 2014.

Tim Healy

A Special Thank You

Deep Run continues to grow and be a wonderful community organization because of you!

- To the Sponsor's of all of our programs
- To the many volunteers, including the Board Members, Program Directors, Coaches, and parents
- To the children

DRVSA Baseball Commissioner Important dates for upcoming spring baseball season

2015 Spring season Registration

Early Registration Before January 31st.

- Online registration is available from January 1st – February 28th.
- Walk in Jan 17th and 24th 10am—12pm

**New Age Determination

Effective for the 2015 season for players born after January 1, 2006. The "baseball age" is determined as of December

31st as opposed to April 30th.

T-Ball League (Age 5): (Birthdates 1/1/10-12/31/10) All 5 Year Old players must play in this league. This league stresses instructional play and teaches basic rules. All players bat in a perpetual batting order with equal playing time in the field. Games will be played during the week and on Saturdays.

Minor B (Age 6): (Birthdates 1/1/09-12/31/09) Our second level of Baseball. "Outs count" at this level. The first three games of the season are T-Ball. The remainder of the season players bat against coach pitching. All players bat in a perpetual batting order with equal playing time in the field. Games will be played during the week and on Saturday along with scheduled practices during the week.

Minor A (Age 7,8): (Birthdates 1/1/07-12/31/07) The first two third of the season is Machine pitch, while the remainder of the season is entirely player pitch. Scores are not kept during the regular season.

"AAA" (Age 9,10,11):

(Birthdates 5/1/03-12/31/06) "AAA" league is to prepare players for next year, Majors: National League. Players will pitch the entire season. Players will be selected through an evaluation and draft. Playoffs will be played at the end of the season with seeding determined by league standings.

Majors (Ages 10,11,12): A small percentage of players will be drafted into the National League. All the remaining players will be eligible for the American League. After the American League team rosters are filled, the remaining players will be invited to an evaluation for the AAA League.

Age 10 (Birthdates 05/01/04-12/31/05)

Age 11 (Birthdates 05/01/03-04/30/04)

Age 12 (Birthdates 05/01/02-04/30/03)

Majors 50/70 (Ages 11 & 12 ONLY):

This is a very competitive league where the players are selected after a tryout. Play in this league will be on the ex-

panded field (50' mound and 70' base distance).

Majors 46/60 (Ages 9-12): This league prepares a player for the possible move to the 50/70 League next season. A 9 year old may only play in this league as long as he/she is drafted by the end of the 3rd round.

Please see the website www.DRVSA.org for more information

Fees

- Lil' Slugger - \$50
- Minors (T-Ball, Minor B, Minor A and AAA) - \$95 (\$75 if registered by January 31st).
- Majors - \$115 (\$95 if registered before January 31st).

Baseball

Girls Trailblazers Lacrosse—Continued

and will compete in PAGLA East division league play. They will also compete in a few tournaments.

- 7th & 8th graders: practice 2x per week and will compete in PAGLA East division league play. They will also compete in a few tournaments.

Location:
Our practices and home games are located at the Telegraph Fields on 1172 Telegraph Rd. Perkasie, Pa

18944

Equipment needed: Lacrosse stick, mouth guard and eye goggles. (we do have some equipment that may be borrowed)

Season:
Practices start in mid-late March and ends in the beginning of June.

2015 Girls Lacrosse Player Fees:

- DRVSA Annual Club Membership Fee: \$100 (Each family pays this once annu-

ally at the first sport they play that calendar year.)

- Grades 1-2: \$45 (\$35 if registered by Jan. 31st)
- Grades 3-4: \$95 (\$85 if registered by Jan. 31st)
- Grades 5-6: \$100 (\$90 if registered by Jan. 31st)
- Grades 7-8: \$100 (\$90 if registered by Jan. 31st)

Soccer

2014 Fall Intramural Soccer

It seems as though the season just kicked off, yet here we are in the afterglow of the Holiday season, looking back at the past year. As intramural soccer commissioner, I was blessed with the opportunity to witness a lot of great soccer matches this past season at all ages ranging from PeeWees to Major B and was thrilled to see how much fun all the children had. This past Fall we were rewarded with one of the largest intramural soccer seasons in Deep Run history. Some quick numbers to back this up: 686 boys and girls played this Fall 54 teams 324 games.

Once again, the athletes played on teams representing countries vying for the World Cup. In addition to perennial favorites like USA, Germany and Brazil, we also saw teams representing Australia and Uruguay for the first time. One of the benefits about the World Cup kits (in addition to looking great) is that it makes our world a little smaller in the eyes of the children and helps them to see that we are all alike in our love of sport. Our child athletes learned great lessons out on the pitch, about communication, overcoming adversity, coming together as a team and about the value of hard work and practice.

The children aren't the only ones who reaped rewards from this season. Our volunteer coaches also learned a

lot about a game they perhaps had never played themselves, others learned the joy of giving back, while others were amazed at their ability to corral a dozen little kids and get them to focus on a common goal - a skill not to be underestimated (and which surprisingly also works on adults!)

Spring Soccer registration opens online 01 January, while in person live registration will be held on 10th 17th and 24th of January at the clubhouse from 10 AM to noon. We need coaches (both managers and assistant coaches) for each team, so please consider volunteering in one of those roles - I can't begin to tell you how rewarding it is to coach our great kids. Registration closes on 28 February (at the normal rate of \$75 per player). Those who register early (before the end of January) will be entitled to a discounted fee (\$60 per player). Late registrations will be charged a penalty (for a total of \$90 per player). Remember, to be considered fully registered you must not only have the registration form filled out and signed, but the fee must be paid in full by the date indicated. Please do your best to register early, or at least on time. When players are registered on time we can order uniforms, identify and assign coaches, select rosters and make game schedules before the season starts and communicate that information back to you so that you can make plans and so that we can take to

the fields as soon as the weather allows.

2014 Travel Soccer

Deep Run had 30 travel teams competing in 3 leagues this season. Many teams won or finished second in their division. Our U16 girls Strikers are regionally ranked and are comprised of many of the stars from our high school team. Below is some info on a few of our teams:

The Deep Run Blue Wave U9F had a strong season in 2014. They attended five tournaments throughout the Summer and Fall. Of these, three resulted in 1st place showings: Spirit United Kick-Off Classic, Cape May Express George Pratt Memorial Columbus Day Tournament, and Hempfield Adidas Fall Classic. The remaining two tournaments resulted in a 2nd and 3rd place showing: LVU Lou Ramos Classic - 2nd Place and Deep Run Labor Day Tournament - 3rd Place U10 A Division.

The team competed in PAGS U9 Division 1 for their Fall league play. They completed the season with a 7-2 record, scoring 15 goals along the way while only giving up 3.

Although they achieved a great deal of tournament and league success this year, the team's true success showed in training. Their focus, intensity, and attitude during training was at a high level

throughout the season. This was and will continue to be the engine that drives this team's continued success. Their coaches and parents are all proud of what they have been able to accomplish.

U12 Girls Crushers White:

Since January of 2014, the U12 Girls Crushers White Team advanced there play to whole new level this year. In the Rock League, they went from a 2-6-2 record with 12 goals for and 14 against last year, to a 6 - 1 record, with 34 goals for and 9 against. The girls worked on power shooting & finishing last winter and it showed in every game. The spring/summer tournament schedule was no different, they played in 3

tournaments with two 2nd place finishes, and a 2nd place finish at Council Rock in the top bracket. It was fun to watch them hold their own against multiple PAGS 2, 3 & 4 Teams over the summer.

Hard work over the summer, a strong team unity and 11 smiles from ear-to-ear, provided the girls with their best fall season yet. In PAGS, they went 7 - 2 with 24 goals and 11 against in a higher bracket than they were in last year. (In the fall last year, the team was 2 - 6 - 1.) As you can see, this team gets better

Travel Soccer—Continued

every time they step on the field. As hard as the girls work, I can't forget to thank the parents for all the support, time and cheers they provide on the sidelines. We are, by far, the loudest sideline in the league and I enjoy it every minute of it.

Go Crushers!

Coaches: Steven Bross & Frank Kiwak

Stea – What? Steaua (Steawa), it means star and that is how we would describe the U8 girls season. We were the team that others stared at because there were so many of us, 25 in all. Our weekly practices were held altogether, although we fielded two teams on game days. Despite their young age, the girls were focused and determined week after week.

Steaua Blue kicked off the season by winning the Deep Run Labor Day Tournament. That momentum carried into league play where they finished second place in their division with a 6-3-1 record. Likewise, Steaua White had a strong season. Their never-give-up attitude kept every game competitive and had the fans on the edge of their seat, all the while gaining valuable experience on the field.

The U8 girls worked hard, played hard, and had lots of fun while learning the great game of soccer. Their progress has been wonderful to watch. Twenty-five stars on the field that we are grateful to have

coached.

Ion Baldovin
Jen Robinson
Tina Gerhart
Beth Manville

The U-10 girls Predators finished with

the best record in their PAGES division. The team won the Westmont Tournament, the Hunter Tournament and took 2nd in the Labor Day Tournament. The girls won 18 games, lost 2 and tied 4 over the course of the fall season.

The team is coached by Chris Levush and consists of : Carlee Balmer, Hayley Borneman, Maggie Hayes, Ryan Hodder, Makenzi Koch, Jess Levush, Lauren Moylan, Payton Muth, Grace Rosica, Mia Smith and Mckenzie Zikul

Travel Soccer—Continued

U9 Girls- Tidal Wave Fall

2014 season in review

The Deep Run Tidal Wave built upon a very successful debut season in 2013 with an Undefeated Fall of 2014. This is a team built on and carried by its strong team defense. The Tidal Wave finished with the best record in their PAGS Division at 9-

half. This stalwart defense was anchored by Ava Kolp, Sophie Craig, Hailey Primwhere and Emily Frain.

The Tidal Wave competed in five Tournaments since the beginning of August. Our team won 3 of those 5 Tournaments while compiling a tournament record of 13 wins, 4 ties and 0 losses. We're very proud of our young ladies and look for-

The U-15 Storm had a successful season. The girls played in a PAGS short season and won all three of their matches 3-0. After some disappointing results over the summer, winning the short season league was a nice boost to confidence as the girls continued their winning ways in the November EDP Cup Winter

Showcase. A penalty shootout loss in the final was heartbreaking for the girls but still demonstrated a solid weekend performance. Lastly, the girls missed winning the round robin style tournament out of PA Classics by one goal as they finished the tournament without a loss. All in all, it was a solid season for the girls and provided a good starting point for the Spring of 2015.

0-0. In nine games the Tidal Wave gave up a total of 4 goals while recording five shut outs. None of the goals were given up in the first ward to continued success in 2015!

Boys Lacrosse

Deep Run Boys Lacrosse

The mission of Deep Run Lacrosse is to provide young boys the opportunity to learn the sport of lacrosse, in a Positive Coaching Alliance environment, and prepare them for success

at the high school level and beyond.

Our program is broken down first by grade level, then by skill level. We are part of the South Eastern Pennsylvania Youth Lacrosse Association (SEPYLA) and compete in league games

in grades 3/4 (C level), 5/6 (B level), and 7/8 (A level). Each level has subdivisions based on skill level to insure that the boys are playing against similar competition.

Lacrosse

Connie Mack Baseball

Parents & Players,

We are excited to announce another season of Connie Mack Baseball at Deep Run. We had a good 2014 season with our "A" team winning the Bux-Mont Championship. Our "B1" fought their way to the Semi Finals. One run stopped them from being in the championship. Lastly, one of our "C" teams won the Bux-Mont Championship. I would like to congratulate the coaches and their teams on a strong Deep Run showing. We are looking forward to even greater success in 2015.

Deep Run offers Spring, Summer, and Fall baseball for players ranging from 13-17 years old. Spring and Fall baseball are open to all levels of expertise.

Spring/Fall Ball: There are

evaluations to determine talent level (Junior/Senior) but is only to evenly balance the teams. Physical evaluations will be held in (mid-late) March.

Everyone makes a team and plays. There are no player cuts. The regular season is from April through Mid May for a total of 12 games. Most games will be scheduled on weekends. Spring and Fall baseball are meant to have fun while learning fundamental baseball. Players will be assigned to their assigned ability level. There will be a maximum of six teams with 13-15 players per team.

Connie Mack (Summer) We will have tryouts sometime in mid-late March for Summer selection. We typically receive over 100 player registrations for Connie

Mack. Since we only have one field we limit the amount of teams to ensure practice and playing time to six (total) for Summer. Everyone must make the tryout for consideration. The only players excluded is anyone who participated on either the "A" or "B1" team in 2014 as a primary rostered player. "A", "B1", and "C1" teams roster from 11-12 players while "B" & "C" roster 12-14 players. The number of teams (no more than 6) will be determined by the amount of players who tryout and what their talent level is. Regular season games: A= 24, B1= 18, B= 16, C1=16, C=14. Playoff games would be in addition. Games are scheduled during the week and weekends.

Please watch for sign up and tryout information in early January. Spring/ Summer baseball, uniform, and DRVSA family fees will all be posted on our website as well.

Connie Mack

Basketball

Deep Run Basketball - Intramural

Deep Run's 2014-2015 intramural basketball season is now under way. Practices started on December 6th at Bucksmont Indoor Sports Center and games start on January 3rd. The season will be running until mid-March. Registrations were about the same as last year. There are over 470 boys and girls that are participating on 50 teams.

There are several changes in place for this season compared to last year. The divisions are now named by grade instead of age to avoid some registration confusion. We have an additional hour of court time at Bucks-

mont. This means that all games start on the half hour (and it seems to have made parking a little easier). The games will also be a couple minutes shorter this year to allow for some more practice time before tip-off.

The game schedule can be found on the intramural basketball page of the Deep Run web site.

Thanks to all the coaches that have helped get the season started off right. We are looking forward to another great year of Deep Run basketball.

Travel Basketball

Dave and Brooke Martin's U13 Girls travel team just

won the Bulldog Classic in Allentown with a perfect 5-0 record. Can we get it in the newsletter or up on the website?

Basketball—Shooting Stars

Deep Run Shooting Stars program Sponsored by Pennridge HS girls basketball team.

My name is Ashley George and I will be running the Deep Run Shooting Stars program this year for the Pennridge HS girls basketball team.

I currently am a Junior at Pennridge HS and have been a member of the girls basketball team since my freshman year. I participated in the Shooting Stars program the previous 2 years as a counselor.

My teammates and I are very excited and look forward

to having you come back again this year. Here is a link with more information. You can sign up and come as many dates you can make it.

<http://www.drsva.org/cm2/index.php/sports/basketball/intramural-basketball/197-shooting-stars-basketball-program>

Please email me at ashleeyball859@gmail.com to let me know if you will be participating this year as well as if you have any questions.
Thank you,

Ashley George

Softball

Lady Lightning Softball

Intramural Softball

We are looking for to another successful spring season of softball. Deep Run offers intramural play for girls ages 3 through 18. The fun begins with 3-4 year olds playing in the Rainbow Division and carries through to girls 15-18 year olds in Hurricanes Division.

Look for online registration to begin January 1st.

Walk-in registration occurring on January 17th and January 24th from 10 am to 12 pm at the Deep Run Clubhouse. The season will begin in Mid to Late March and run through Mid-June depending on the player's division.

Participation fees as follows:

Rainbows (PeeWees) – ages 3-4 - \$60 (plus Deep Run Family Fee)

Dewdrops – ages 4-5 - \$95* (plus Deep Run Family Fee)

Raindrops – ages 7-8 - \$95* (plus Deep Run Family Fee)

Thunder – ages 9-10 - \$95* (plus Deep Run Family Fee)

Bolts – ages 11-12 - \$95* (plus Deep Run Family Fee)

Storm – ages 13-14 - \$115* (plus Deep Run Family Fee)

Hurricanes – ages 15-18 - \$115* (plus Deep Run Family Fee)

Please note, registrations completed and paid for on the Dewdrops through Hurricanes Division will receive a \$20 discount during the month of Jan-

uary. Additionally, if this is the first sport that you are registering for Deep Run 2015 every family must pay the Annual Family Deep Run Fee.

The Deep Run Softball Program is looking to host **Sunday Select Teams** again this year in the 10 & under Division as well as the 12 & under Division. We would also like to consider an 8 & under Team if there is enough interest. Please contact ladylightningcommish@drsva.org if interested in participating in any of the levels.

The **Storm** and **Hurricanes** Division participating in the Valley Intramural Girls Softball Program (VIGS) will begin indoor practices during the month of January. Please contact ladylightningcommish@drsva.org for more details.

Additionally, the **Sunday Select Teams** will also begin indoor practices during the month of January. Please contact ladylightningcommish@drsva.org for more details.

Hope to see you soon!

Winter 2015

Softball

Message from the President

From the Desk of the DRVSA

President ~~ Hans Sumpf

Welcome to the beginning of 2015 at Deep Run Sports; I would like to thank the many volunteers that made 2014 a success for our children playing at Deep Run. This year the most exciting news is that we had applied for an Active use Conservation Easement through the township and county for our property. It was accepted resulting in paying off our mortgage. We will continue to look for grants that will help our organization provide the best sports program for our members. Registrations for all spring sports are starting this month, early registration discounts will apply through the month of January for baseball, Lacrosse, softball and spring soccer. Walk-in dates are the second and third Saturdays in January. New online registration process will be up and running Jan. 1st new this year is there will not be any PayPal additional fees. In addition to the walk in dates in January you may also contact the clubhouse during the month and register in person. If you have difficulties with any of the online process or have questions in general please contact the clubhouse administrator.

I've included an organization budget overview from 2014. The membership

and individual player fees cover items such as ground maintenance, league fees, insurance, intramural uniforms, gym rentals and referee/umpire fees. We thank our sponsors for their continued support which helps offset these costs. We prepared our 2015 budget and determined that we still can maintain our family membership fee at its current level. This past year we have had significant damages to our property and clubhouse. Our main soccer field was turfed and the concession stand had a water pipe break during our winter cold spell. We replaced flooring, ceiling, cabinets and lost several freezers and refrigerators. Basically, we had to refurbish the concession stand with new appliances. We were able to cover some the costs by our golf outing and insurance coverage. If you have any questions, please email me.

GOLF OUTING

We will again have the golf outing on Friday September 18th 2015 It is the only major fund raiser to help with capital improvements for the club. Details will be posted on our web site go to www.DRVSA.org. Then Click "About Us" and then click "Golf Outing".

HALL of FAME

is held every two years to give special recognition to individual members, sponsors, or players of Deep Run Valley Sports Association that have made out-

standing contributions to DRVSA. Here were the 2014 individual and sponsors inductees .

2014 DRVSA Hall of Fame

Class: Tim Denard, Michelle Kokinda, Rob Martin, Glenn Moyer, Dot Ungnast, and Fred Thomas.

2014 DRVSA HOF Spon-

sors: Passerini Construction, Shelly's Lumber & Reese's Garage

During the ceremonies we also honored the 2004 Deep Run U12 Thunderhawks baseball team that had gone further than any other Deep Run teams making it to the district finals of LL World Series. Pictured are Scott Seitz and Todd Alderfer.

Please check out previous inductees and we look forward to the next HOF on November 9, 2016.

To find a link on website, go to www.DRVSA.org. Then Click "About Us" and then click "Hall of Fame".

Continued on last page.

SUMMER SPORTS CAMP OFFERING AT DEEP RUN

The camp offering each year of the three weeks of all sports camp continues to be very successful and growing. We will offer the camp again. You can attend one week or all three. They will be the week starting June 22nd July 6th and July

13th. The hours will be 9:00AM to 1:00PM. The cost will stay at \$65 a week or \$160 for all three weeks. The sports activity will include baseball, basketball, lacrosse, softball and soccer. Registration and more information will be posted on our website by the beginning of February. Last year again the camp was full so limited spots will be available, please try to register early.

Positive Coaching Alliance

We continue to offer a session for any new coaches that want to coach at Deep Run (travel and intramural). It is important for all of us to honor the game and keep the true purpose of athletic competition in perspective in order to provide a healthy outlet for our youth. The spring session has not been scheduled yet. Please watch for emails that will announce the dates. If you are thinking about coaching or a parent that wants to understand what coaching is all about and wish to attend a session "free of charge" please send an email to

DRVSACLUBHOUSE@COMCAST.NET.

New coaches are required to attend and we will have seats available.

Deep Run Registration—New Process and Continuous Communication Improvements

New this year is the online registration for families. The steps are easy to follow just click on the registration but-

Message from the President - Continued

ton and select sports that you wish to register for. You will be asked to set up your own family access for future registrations. It will allow you to add new siblings when needed, change of address or phone numbers and more. You will be able to volunteer for coaching and more. You still will be able to pay online (no Pay Pall fees) or by check within ten days of registration. Remember each sport has three fee structures an early discount, regular timed registration and a

late registration. The savings if registering early are significant so register early.

We continue to use TWITTER account for Deep Run called DRVSA1. This is the best and fastest method to find out if the fields are open or closed, registration reminders and the occasional important Deep Run message. If your cell phone accepts text messages you will get a tweet from Deep Run. From our home page click on "follow us on twitter" button. If you have a twitter account just click on the FOLLOW button and

sign up. If you aren't registered, you have to register with twitter (free). You set up an account for yourself (free) make sure you select yes to accept text messages on your cell phone once your account is set up. On our home page there is a link that will show you how to register or answer any registration questions you may have.

Sponsors and extra contribution helps.

I want to thank the many sponsors that stepped up and contributed a little extra

financially. If not for your generosity in supporting our club we would have to raise the fees. Parents, if there are concerns, financial or otherwise, please contact me at hans49@verizon.net - we want your child to play at Deep Run.

Thanks, *Hans Sumpf*
President
Deep Run
Sports Association

2015 BOARD OF DIRECTORS Please check the Board of Directors page for open positions for 2015. We are always looking for future board of directors. Each year we loose board members as their children grow older. Information on board positions can be found on our web site page called ABOUT DRVSA. If you are thinking about helping out please contact me for more information.

We also are in need of more volunteer coaches. The increase of players facilitates a need to increase our team numbers. Please consider volunteering as a coach or assistant coach. There also is a need for more officials; umpires and referees for all sports. Contact the club house if interested for more information. If interested in getting more involved, please come to our monthly board meetings. They are the second Tuesday of the month and the start time is 8:00PM. If you are interested in any one sport contact the individual sport commissioner.

Deep Run Recycles!!

Located in Hilltown Township, DRVSA provides Pennridge School District and the surrounding community's children with Soccer, Basketball, Baseball, Softball, and Lacrosse programs. Deep Run is a non-profit organization that relies on parent volunteers. The club's purpose is to provide an instructional atmosphere, to develop the skills and knowledge necessary to succeed and enjoy the various sport programs from an intramural level to travel level.
