## All Sports Indoor / Outdoor Safety Guidelines

On Oct 7, 2021 Pennridge School District updated their Fall Planning, including indoor / outdoor masking expectations (<https://www.pennridge.org/Page/2311>). Pennsylvania currently has a masking order that requires all individuals to wear a mask while inside school buildings. Masks are not required by athletes participating in athletics indoors or during any outside activity. Deep Run Valley Sports Association (DRVSA) will adhere to these guidelines. The guidelines below are required to be followed by all coaches, parents, and players in order for us to play games.

### PRIOR TO ARRIVING AT PRACTICES/GAMES/SCRIMMAGES/TOURNAMENTS

- Prior to arrival all coaches, volunteers, and players (w/ parental guidance) must conduct a daily self-symptom assessment and temperature check.
- Anyone with a fever of 100.4 degrees F or higher must stay home
- Anyone experiencing COVID/FLU like symptoms must stay home. Symptoms would include fever, cough, shortness of breath, headache, runny nose, muscle aches, loss of taste or smell, and diarrhea/abdominal pain

### DURING PRACTICES/GAMES/SCRIMMAGES/TOURNAMENTS

- Players should use their own equipment if possible. If sharing is necessary, players should wash hands or use hand sanitizer after sharing equipment
- Players are not required to wear masks during play unless a sport's governing body requires it.
- Frequent hand washing/sanitizing are strongly recommended for players and coaches; hand washing/sanitizing stations are setup throughout the Deep Run complex and will be available at Pennridge schools
- **If Covid rules of a sport's governing body differs from the Bucks County DOH, the governing body rules must be followed.**
- **Travel teams must adhere to the Covid rules of facilities they visit**

### CONCESSION STAND

- Non-vaccinated concession stand workers and workers handling food MUST wear a mask at all times
- Workers MUST frequently wash / sanitize hands
- Follow restaurant industry guidance (<https://www.governor.pa.gov/covid-19/restaurant-industry-guidance/>)

### CONFIRMED CASES

- Individuals that develop symptoms should immediately isolate and seek medical care
- Following presumed positive, direct contact or confirmed case, contact should be made to the coach via email
- Work with local health department to identify potentially infected or exposed individuals to help facilitate effective contact tracing/notifications

### CONTACTS

- Should there be any questions or concerns, please contact Deep Run Valley Sports Association at [info@drvsa.org](mailto:info@drvsa.org).

**These guidelines were created as the safety of all of our players, parents, coaches, and fans is paramount and most important!**

**Failure to abide by these guidelines by any player, parent or coach may result in immediate dismissal from the team.**
