**Opening Remarks:** (Bill Van Sant)

- Motion to approve minutes from last month made by Chris Boyd seconded by Myles

### **1. Executive Board/Admin Update:** *Bill, Chris B, Dan S, & Michelle*

#### **A. Hilltown/Bedminster meetings**

- Applied for a relief act with Bedminster township, they still have funds available, Bill will meet with them again at the beginning of April.
- Hilltown all monies are accounted for, nothing available to contribute to Deep Run.
- Expense of Fairhill, We have a 10 year lease on both Fairhill and Telegraph, with 2 years remaining, if we do not want it they will find someone else to use it.
- Purposed mowing less and moving soccer to these fields. How often does it need to be mowed? Talk further with Audrey and Myles.

#### **B. Background Checks**

- Background checks please email Michelle and Morgan contact info for any coaches that have not completed, they will reach out to get everyone in compliance with protocols.

#### **C. Facilities**

- Chris and Bill did a walk throughout the facility, the goal at the board level is to improve the appearance and overall condition of Deep Run. A punch list was created to address these concerns. Reach out to Chris or Dan if you see anything that needs to be addressed.
- Chris has secured a recycling bin to remove metal items around the club.

- The club is working on getting all equipment repaired around the facility, please reach out to Chris or Dan if you find anything needing service.
- Only licensed or approved individuals driving/operating equipment at Deep Run.
- Kids should not be in the pole barn or playing around the pole barn, this is a safety concern.

**D. Treasure Report - Chris Levush**

- Enrollment up over 20% year over year, almost a 5 year record
- Our income is very strong, we are building back what covid diminished.
- 196,000 in profit, 176,000 from family fees and registration.
- Goal based upon strong registration we should be able to hopefully pay back ½ of what was borrowed, will have a better idea at the end of March after reviewing our operating costs.

## **2. Individual Sports**

**E. Basketball - Amy VanSant**

- Season is wrapping up, a smooth season, only a few canceled games.
- Pictures have been distributed, water bottles given to each player with DR's new logo.
- Sent surveys to coaches for feedback, biggest complaints are XLs facility and their parking. More practice time was requested and more help would be greatly appreciated!

**F. Travel Basketball - Clint**

- Regular season concluded last week. Very successful, 12 of 15 teams made playoffs
- Some teams are making plans for a summer league.
- Would like to see a commissioner step up and improve

**G. Girls Lacrosse - Sarah and Margo**

- Teams are set and have started practicing
- Uniforms are ordered
- Games start 3/20 schedule is being finalized
- 5/3 a girls professional lacrosse player is coming to host a deep run clinic. Have had a very positive response to this clinic.
- Easter Pie Tabora Farms fundraiser that usually brings in around \$1400-1500 for the program.
- They will be purchasing all the coaches a gift to say thank you for their help, most likely a sweatshirt or jacket.
- Getting support from Pennridge High School
- Line paint has just arrived to start lining fields.
- Margo will pass info along to add info about the clinic to our social media.

**H. Boys Lacrosse - Mark Fanelli**

- Practices have started, schedule will be out late next week, games are starting 3/26
- Scoreboard is installed, waiting on the electrician

- Fields are wet and the weather is not cooperating

**I. Soccer** - Myles

- 450 registrants
- 3 age coordinators
- Currently building out teams
- Has the last of his clearances for Morgan
- Planned start 4/3, 4/10 if the uniforms have not arrived
- No Sepa date
- Would like to arrange field cleanup 3/19 & 3/20, or 3/26 & 3/27 depending on weather.
- Soccer would like to utilize SASH fields if that is an option.
- One of the Dick's GC was reported stolen when Myles tried to redeem.

**J. Soccer Travel** - Audrey

- Tryouts start 3/27 and will run about 3 weeks long
- Spring season will start this Sunday
- Practices start 3/14
- There will be 3 tryouts for each age group, players are encouraged to attend at least 2.
- It was posted today about the travel tryouts
- Numbers/registrants will start climbing after tryouts have taken place.
- Posting coach bios to help bring attention to the club.

**K. Softball Travel and Intramural** - Jim and Correy

- Busy winter at the gym
- Running clinics and practices at the high school, working on how they will be charged for facility use.
- North middle school buses their players to our fields for their use and in exchange we use the gym.
- Intramural rosters are going out in the next few days
- Chris B fund a scoreboard for a nice price to use at softball
- 3/26 is the scheduled field clean up day, fields wintered well and are in good shape.
- Press box steps are in bad shape, caution tape was placed on them for now.

**L. Summer Camp** - Audrey and Michelle L

- Registration is open and have had 177 since January
- May start closing weeks once a mx is hit for safety reasons, they will close the first few weeks and reevaluate
- Promoting camp via social media
- Numbers are up over last year, camp is in the best position it's ever been.
- Scheduling CPR classes for counselors and managers. 1st aid safety, AED machine and CPR certs needed for staff. Sarah is able to help certify 10 people at a time.
- Starting the interview process
- AEDs are placed through the facility and Chris B checks them 2 times a year to make sure they are in working order.

**M. Baseball - Ryan**

- Registration is up 20% this year
- Chuck Roller has been named player agent
- Travel meeting scheduled for 3/21 to go over guidelines and procedures.

**N. Conniemac - John F**

- There will be 3 spring teams
- 13u will have a travel tournament team
- 1 summer team, low numbers but will go up from here
- Someone is donating their time and materials to fix soffit
- Looking to start mid April
- Majors and 12U will start using fields to see what the next stage up looks like.
- John is looking for someone to replace him as commissioner
- Working on getting the program built back up
- Doors in the press box need repair, can we secure the doors for now
- Birds are an issue need to power wash the press box often solar owls are not helping

***Motion to adjourn by Bill seconded by Chris B. at 9:23***
